Dear Mr. Salos:

I would like to express Mr. Homero Mite's appreciation as well as mine for your outstanding performances in Guayaquil, Cuenca and Manta on the occasion of inauguration of our services. Your Orchestra was perfect in playing all of the music that everyone enjoyed. I was very happy to see so many people dancing.

Your "Tribute to Sinatra" show was most outstanding. Everyone was telling me, this was one of the most incredible nights they have ever had with American Airlines.

My sincere gratitude for a job well done!

Gracias amigo,
